

/some stuff I've done

Project Manager / Implementation Consultant

Epic Systems (2014 - 2015)

- Advised c-suite and ops leadership on technical planning, change management, and process improvement strategies.
- Led teams in ad hoc, crisis situations, requiring innovative coordination of resources to complete project deadlines.
- Liasoned with Epic dev team to improve UX.

Lead Math Teacher

Teach For America / YES Academy (2012 - 2014)

- Served as member of highly selective service corps who commit two years to teach in under-resourced public schools.
- Led math content team of 5 teachers to adopt a data-driven improvement process resulting in UYA math performance moving from 11th to 3rd in a 12-school network.
- Led 85 students to achieve the highest performance in University Yes Academy on all three standardized Interim Assessments of the 2013-2014 school year.
- Led professional development series on Design Thinking for the classroom resulting in a shift to a flat grade-level management structure.
- Decreased suspensions by 50% in the second half or the 2012-2013 school year as Teacher Chair of Positive Behavioral Intervention Committee.

Founder / Editor-in-Chief

The Montag (2010 - 2012)

- Founded the University of Nevada's first journal of undergraduate research.
- Designed marketing strategy, publishing model and org model resulting in 1,000 first edition copies and continued production to this day.
- Raised \$27,500 from the College of Liberal Arts.
